Product highlights

Deeply cleanses
Soothing warm steam opens the pores and increases the blood circulation to perfectly prepare the skin for any beauty treatment.

Ergonomical steaming mask
The shaped mask follows the contours of the face to focus steam on face providing effective steaming results.

Convenient to operate
Water heats up and steam starts to rise from the appliance after 5 minutes.

Extra aroma diffuser with herbs and oils
Pamper yourself at home with the personalised and convenient aromatherapy treatment. The aroma is optimally diffused directly by the steam.
